THE CITY OF NEW YORK, PETER MORALES and
EDMUND MORRIS, employees of the New York City
Police Department,

Defendants.

-----X

STATE OF NEW YORK)
: SS.:
COUNTY OF NASSAU)

TIMOTHY HARDIMAN declares the following under penalty of perjury pursuant to 28
U.S.C. §1746:

1. I am not a party to the above action and am over the age of eighteen (18) years.
2. I am the principal and owner of Viceroy Investigations & Consulting LLC and have served as a police procedure expert for approximately five years. I also am an instructor at Southern Police Institute where I teach a sex crimes investigation course.
3. In addition to my consulting work though Viceroy, I work with the American Military University where I am the Director of Law Enforcement Business Development. A true and accurate copy of my Curriculum Vitae is annexed hereto as Exhibit 1.

4. Viceroy was retained by The Law Office of Matthew Flamm and Rubert & Gross, PC, the attorneys for the plaintiff herein, to review and render an opinion regarding the May 25, 2013 arrest and imprisonment of Mr. Morrison based on the authority of a September 2007 warrant for plaintiff's arrest, commonly called a Bench Warrant, which had been vacated on April 16, 2008.

5. I prepared an August 8, 2016 report and summary of my findings, a copy of which is included here as Exhibit 2. Redacted from that report are references to or opinions regarding the procedures used to attempt to transport plaintiff from the Stationhouse to Central Booking, as I understand that defendants do not take issue here with that aspect of this matter. The information reviewed and relied on appears as paragraph 5 of the Report.

6. At the time of my August 8, 2016 Report, transcripts of the testimony of Police Officers Robert Morales, Edmund Morris, and William Rivera had not yet been received and I specifically noted that I did "not yet have transcripts ... and may supplement or amend this report upon review of same."

7. I have reviewed the transcripts of the August 1, 2016 depositions of Robert Morales, Edmund Morris, and William Rivera. The testimony therein only reinforces and confirms the conclusions in my August 8, 2016 Report that the NYPD and Officer Morales failed to properly verify that Windsor Morrison was wanted on a valid Bench Warrant. I note that Officer Edmund Morris testified at pages 27-28 of his transcript that he was aware of issues effecting the reliability of the NYPD's Automated Database for Warrant (ADW).

8. Also attached hereto as Exhibits are several documents relied upon by me:
Exh. 3: Criminal Records Information Management System
(C.R.I.M.S.) Appearance History 2007KN026833 (Def 612-618)

Exh. 4: The Certificate of Disposition 2007KN026833 (Def 793)

Exh. 5: Patrol Guide 208-22

Exh. 6: Bench Warrant issued September 21, 2007 for Kings County Docket Number 2007KN026833 (Def 237)

9. The Report included herein as Exhibit 2, as redacted, is a true and accurate account of my conclusions based upon the review of the materials available to me.

10. The information in the Criminal Record Information and Management System (CRIMS) records provided by defense (*Exh. 3*) indicates that Mr. Morrison was arrested on March 5, 2007 (*Id. at Def. 612*) and charged with a Vehicle and Traffic Law violation. A Bench Warrant was ordered on September 19, 2007 (*Id. at Def 613* - PRWO: "Parole Revoked Warrant Ordered") and Mr. Morrison returned to Court on April 16, 2008 and was released on his own recognizance. (*Id. at 613* - ROW: "Return on Warrant"; ROR: "Released on Own Recognizance"). Mr. Morrison returned to Court the next day, April 17, 2008, and the Court advanced the case from its May 28, 2008 calendar, Mr. Morrison pled guilty and sentence was imposed and the fine paid. *Id. at 613* – PGSI: "Pled Guilty Sentence Imposed;" *see also Id. at Def. 615* – indicating appearance on April 17, 2008 and payment of a fine. The CRIMS records indicate that the prosecution was marked "finished" as of April 18, 2008. *Id. at Def 612*.

11. The Certificate of Disposition, issued on April 17, 2008 and attached hereto as *Exhibit 4*, confirms the April 17, 2008 appearance, guilty plea and payment of the fine.

12. Attached hereto as *Exhibit 5* is New York City Police Department Patrol Guide provision 208-22 governing Warrant Checks in effect on May 25, 2013, the day of Mr. Morrison's arrest. Officer Morales testified that, during the car stop of plaintiff, he determined through the New York Statewide Police Information Network (NYSPIN) database that there was a possible warrant, and that, after bringing Mr. Morrison to the Stationhouse, consulted only the

Department's Automated Database for Warrants (ADW), printed a Bench Warrant from a link in ADW, and took no further steps to determine whether the September 21, 2007 Warrant was still active.

13. Patrol Guide Section 208-22 advises that a Warrant marked with a "C," as was Mr. Morrison's, indicates a misdemeanor Bench Warrant (*Exhibit 5: PG 208-22 at p.5*) and instructed Officer Morales that an "ADW search ... reveal[ing] an OCA # designation preceded by the letter ... C ... is an indication of a POSSIBLE WARRANT and is not sufficient authority for arrest." (*emphasis in original*). The Patrol Guide, *Id. at ¶10 p.5*, directed Officer Morales that "IF OCA # DESIGNATION BEGINS WITH THE LETTER ...C ..., [he] MUST conduct a further inquiry via Criminal Record Information and Management System (C.R.I.M.S.) court computer application, which will provide 'the last status of the warrant.'" (*Emphasis in original*); see also *Id. at ¶¶11-17 at p.6* (instructions for accessing CRIMS database). Finally, the "Additional Data" Section on page 7 of Patrol Guide 208-22 states: "Where any doubt exists a verification should be made directly from the court records or if unable to determine the warrant status via C.R.I.M.S. at the precinct level or if there are any operational questions contact the Warrant Section, Telephone Inquiry Unit"

14. The Bench Warrant relied on by Officer Morales, *Exh. 6*, indicates that it was issued on September 21, 2007 and carried an Office of Court Administration (OCA) number of C2007211222.

15. The findings, opinions and conclusions contained in this Report are, to a reasonable degree of professional certainty, true and accurate.

Re: Windsor Morrison v. The City of New York, Peter Morales, and Edmund Morris
United States District Court
Eastern District of New York 14 CV 4508 (MKB)(VMS)

1. Pursuant to Plaintiff's request, I have prepared this report, which constitutes my initial evaluation within a reasonable degree of professional certainty of the actions and procedures employed by defendants regarding the arrest and transportation of the Plaintiff in this case. This evaluation is based on review of the documents and photographs provided, my attendance at the June 17, 2016 inspection of a prisoner transport wagon, and my experience, training and education, and professional background, which are described below and listed in the attached resume. I do not yet have transcripts of the depositions of Peter Morales, Edmund Morris, or William Rivera, and may supplement or amend this report upon review of same.

2. I am a retired member of the New York City Police Department (NYPD), having served for more than (23) twenty-three years. During my tenure, I held the ranks of Police Officer, Sergeant, Lieutenant, Captain, Deputy Inspector, and Inspector, and served in numerous capacities, including patrol officer, patrol sergeant, anti-crime sergeant, Commanding Officer of the 71 Detective Squad, Commanding Officer of the Brooklyn Special Victims Squad, Executive Officer of the 101 Precinct, Queens; Commanding Officer, Queens South Task Force, Commanding Officer of the Leadership Development Section of the NYPD Police Academy, Commanding Officer of the 50 Precinct Bronx, and Commanding Officer of the 47 Precinct Bronx.

3. During my tenure, I conducted or supervised the processing of numerous arrests which included persons arrested on Bench Warrants and the transportation prisoners. I attended and instructed at numerous NYPD courses including the Basic Management Orientation Course, Advanced Leadership Course, and Command Leadership Course, Homicide Investigation Course and Kidnapping Investigation Course. I attended and later instructed the Criminal Investigation Course and Sex Crimes and Child Abuse Course. I also attended numerous Executive Development classes. As Commanding Officer of the Leadership Development Section of the NYPD Police Academy, I supervised the design and delivery of instructional material, including department policies and procedures to all newly promoted Sergeants, Lieutenants and Captains.

I also supervised the design and delivery of all in-service training to members of the NYPD in the ranks of Sergeant through Deputy Chief. I am a graduate of the 194th Session of the FBI National Academy in Quantico, VA.

4. Since my retirement from NYPD, I have taught criminal justice courses at American Military University including courses in police administration, criminal investigation, stress management for law enforcement officers and the patrol function. American Military University is accredited by the Higher Learning Commission through its parent the American Public University System. I also designed and deliver the first three days of instruction of the Southern Police Institute, University of Louisville Sex Crimes Investigation Course. This class has been certified for in-service credit by the Kentucky Law Enforcement Commission. I have presented on various law enforcement topics at several law enforcement conferences. I have been retained as a consultant by Plaintiffs and defendants in a number of security and police liability cases.

EVALUATION, OPINION AND BASIS FOR OPINION

6. My evaluation of the above material regarding this matter and my background, education, and training leads me to form the opinion within a reasonable degree of professional certainty that the defendants violated the accepted and standard police practices and New York City Police Department procedures for arresting a person on a warrant and safely transporting prisoners in police custody.

7. The Plaintiff testified that he was stopped by the police at about 2:35 AM on May 25, 2013. According to the Plaintiff the police told him that he was stopped for unreasonable speed and being an unlicensed vehicle for hire. The Plaintiff did not have his New York State Driver's License on his person at the time of the stop though he did possess a valid New York State Driver's License. According to the Plaintiff, he produced a piece of US Mail with his name and address on it and gave the officers his date of birth. The car he was driving was registered to his wife. After a period of time the police handcuffed the Plaintiff and transported him to the 75th Precinct.

8. While in the 75th Precinct holding cell, Plaintiff states Officer Morales told him he was under arrest because there was a warrant for his arrest.

9. At about 8:30 AM, the Plaintiff along with approximately ten other male prisoners was handcuffed together to a prisoner transport chain. He states that he and the other prisoners were led out of the 75th Precinct to a waiting prisoner wagon. Plaintiff states that the police officers assigned to escort him were unable to open the rear doors to the patrol wagon in order to load the prisoners. Plaintiff states that one officer stated that this was because the rear doors were broken and another stated that they needed a key which they did not have for the back doors. Plaintiff further states that the prisoners were then loaded through the passenger side front door and passed behind the passenger seat.

10. Plaintiff states that there was a spare tire on the floor of the compartment immediately behind the driver and before entering the main holding area of the patrol wagon. Plaintiff states that another prisoner who was also attached to the prisoner transport chain caught his foot on this tire, falling to the floor causing the Plaintiff to fall and causing injuries. Other prisoners also were caused to fall. It had been raining that morning and Department records indicate that the prisoner who fell was intoxicated.

11. According to testimony, the rear doors of the patrol wagon were either inoperable or the escorting officers did not have a key to unlock them or were unable to locate a key to unlock them. [REDACTED]

[REDACTED]

[REDACTED]

12. In my opinion, The NYPD failed to properly verify whether or not the Plaintiff was wanted on a valid Bench Warrant [REDACTED]

[REDACTED] My opinion is based upon the following information:

13. The arresting officer, Police Officer Peter Morales, testified that the NYSPIN database he consulted while confirming Mr. Morrison's identity at the traffic stop indicated that there was an active Bench Warrant for Plaintiff's arrest, and that he radioed for a supervisor with whom he consulted. The supervisor directed Officer Morales to confirm the Warrant at the Stationhouse. At the Stationhouse, defendant Morales consulted the Department's Automated Database for Warrants (ADW) and printed a Bench Warrant from a link in ADW. He took no further steps to determine whether the Warrant had been vacated. He failed to check with the Criminal Record Management System (C.R.I.M.S.) nor did he contact the Borough Warrant Squad or Warrant Section to determine whether the warrant listed in ADW was active. This failure to confirm the Warrant listed in ADW was contrary to the New York City Police Department Patrol Guide Section 208-22. The "Note" on Page 5 of the procedure states that an indication of a Warrant in ADW ". . . is an indication of a POSSIBLE WARRANT and is not sufficient authority for arrest." (emphasis in original). The "Additional Data" Section on Page 7 of 208-22 further states: "*Where any doubt exists a verification should be made directly from the court records or if unable to determine the warrant status via C.R.I.M.S. at the precinct level or if there are any operational questions contact the Warrant Section, Telephone Inquiry Unit . . .*" According to Officer Morales' testimony, he has not looked at his Patrol Guide in years and was unaware of the requirement to verify the warrant. This failure to verify the alleged warrant in violation of NYPD Patrol Guide Procedures led to the unnecessary detention of the Plaintiff and [REDACTED]

[REDACTED]
b. [REDACTED]

14. On May 25, 2013, there was no warrant for Mr. Morrison's arrest. The underlying traffic infraction for which a warrant was issued was disposed of in April 2008 when Mr. Morrison appeared in Court to vacate the warrant, pled guilty to violation of V.T.L. §509.1 and paid a fine. Had Officer Morales checked the C.R.I.M.S. system as he was required to by the Patrol Guide, he would have known that there was no warrant for Mr. Morrison's arrest and, as Morales testified, he would have released Plaintiff from the Stationhouse with two summonses for unlicensed vehicle for hire had it not been for erroneous belief there was an outstanding warrant.

CONCLUSION

15. It is my opinion, within a reasonable degree of professional certainty, the defendants in this case violated accepted and standard practices for confirming bench warrants were active and for safely transporting prisoners.

NOTE

Family Court and Parole Warrant status cannot be verified utilizing the Criminal Record Information and Management System (C.R.I.M.S.) court computer application. The primary purpose of conducting this inquiry is to verify the status of warrants. In an effort to ensure that the information in C.R.I.M.S. is interpreted properly, a list of court dispositions that indicate a warrant has been ordered on the defendant's last court appearance has been compiled as follows:

CRIMINAL COURT

Abbreviation	Literal Meaning
--------------	-----------------

W.O.	<i>Warrant Ordered</i>
B.F.W.O.	<i>Bail Forfeited, Warrant Ordered</i>
C.W.O.	<i>Complaint and Arrest Warrant Ordered</i>
P.R.W.O.	<i>Parole Revoked, Warrant Ordered</i>

SUPREME COURT

S.I.A.W.O.	<i>Sentence Imposed in Absentia, Warrant Ordered</i>
T.C.A.W.O.	<i>Trial Conducted in Absentia, Warrant Ordered</i>
T.F.G.I.A.W.O.	<i>Tried and Found Guilty in Absentia, Warrant Ordered</i>

ADDITIONAL DATA

If C.R.I.M.S. response to inquiry indicates "NO PUBLIC RECORD" or "PURGED CASE" on an "A" or "B" warrant (summons) or "C" warrant (misdemeanor), the warrant has been VACATED.

If same response on any other warrant, verify with the court of issuance. If a response indicates "NO RECORD FOUND," make inquiry with NYSID #, if available.

Additional C.R.I.M.S. instructions are provided in the C.R.I.M.S. Manual BM 633 (10-92) Court Computer Program for Warrant Verification.

Where any doubt exists, a verification should be made directly from the court records or if unable to determine warrant status via C.R.I.M.S. at the precinct level or if there are any operational questions, contact the Warrant Section, Telephone Inquiry Unit. Provide Telephone Inquiry Unit member concerned with: arresting officer's name, shield #, tax registry #, call back telephone number, name of subject, subject's date of birth, warrant OCA #, docket # (if available) and NYSID # (if any). THIS INQUIRY IS TO BE MADE ONLY AFTER A NAME CHECK VIA ADW IS PERFORMED AT A PRECINCT/COMMAND.

If Department Local Area Network (LAN) terminal is inoperative, request the patrol borough to conduct the checks. Should the borough terminal also be inoperative, an adjoining precinct/designated arrest facility will be requested to conduct these checks. If the entire LAN system is out of service for more than twenty (20) minutes, the Central Warrant Unit will be requested by telephone to process and supply the necessary checks.

If system functional problems are encountered, contact the Management Information Systems Division, Help Desk.
